Response Due Date:

Identification Number: C00255695

Reference: May Monthly Report (4/01/03-4/30/03)

Dear Mr. Redpath:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule D of your report discloses the outstanding balance at the beginning of the reporting period to the Libertarian Party of Illinois at -\$3,512.74, however, the outstanding balance at the close of the March Monthly report is disclosed as -\$4,059.74.

Additionally, your report discloses the ending balance due to this Committee as negative. This suggests that you have made a mathematical error, or the Libertarian Party of Illinois may have incurred a debt to you. Please amend your report to clarify these discrepancies.

-Schedule D of your report has failed to include certain information. Commission Regulations require the full name and mailing address of each creditor, the outstanding balance at the beginning and end of the reporting period, the amount incurred during the period, the payment made during the period, and the nature or purpose of each debt. Additionally, all debts must be reported continuously until extinguished or settled. Please amend your report by clarifying the description "transfer". 11 CFR §104.11

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will

be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1137.

Sincerely,
